Serena Club

INTRODUCTION

Serena is a luxury floating event and hospitality destination designed to deliver a unique waterfront experience through premium events, dining, entertainment, and yacht-inspired atmosphere.

THE VISION

Serena introduces a new category of waterfront hospitality, Inspired by the elegance, atmosphere, and international spirit associated with the Monaco Yacht Club, Serena combines premium events, elevated culinary experiences, and yacht-inspired social culture.

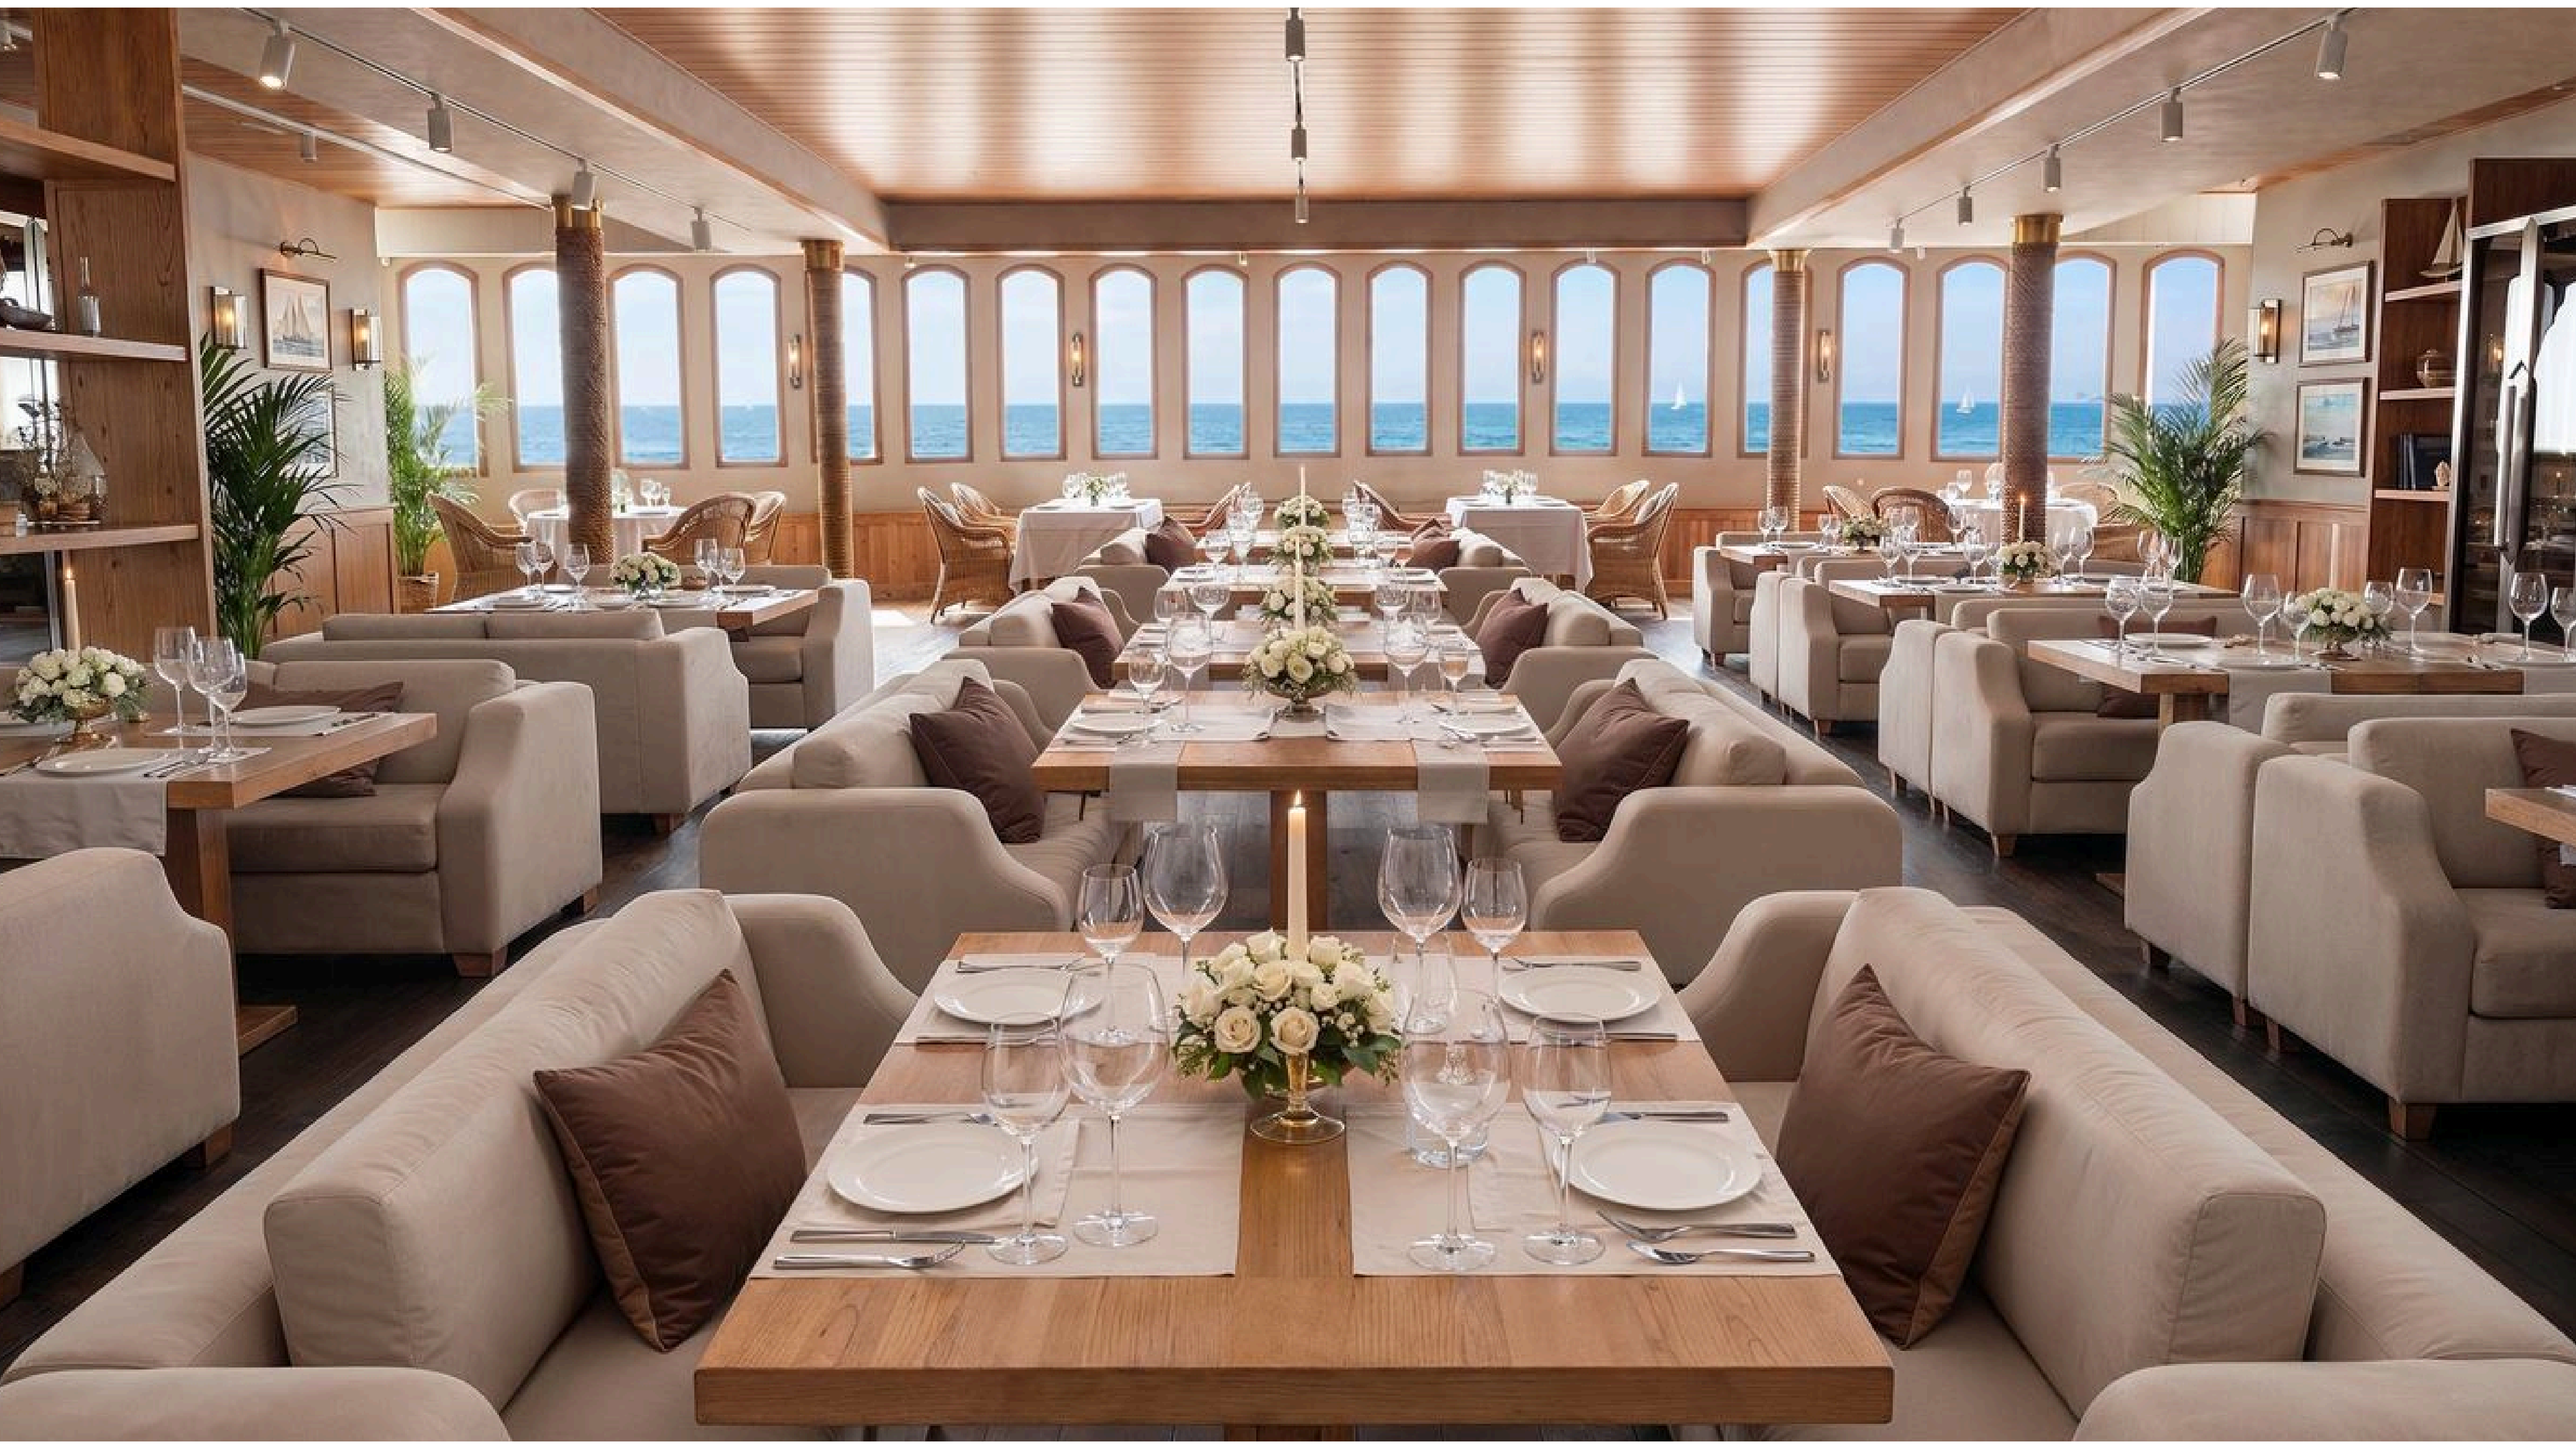

Designed to host corporate events, diplomatic receptions, weddings, brand activations, and exclusive social gatherings

Spoon Club

Originally transformed from a former Mississippi river vessel, Serena has evolved into one of the largest floating event venues in the United States, combining expansive multi-level spaces with modern waterfront hospitality and international yacht culture.
