

EXCLUSIVE FULL SHIP CHARTER

VidantaWorld's *Elegant*

A 162-guest mega yacht with the amenities of a luxury cruise ship and the privacy of a private yacht. Available for full ship charter exclusively through QPS Marine Ships.

AN EXCLUSIVE APPOINTMENT

The entire yacht. Your guests. Your voyage.

QPS Marine Ships has been appointed by the owner of VidantaWorld's Elegant as the exclusive agent for full ship charters of the vessel. Every full ship charter enquiry, from any company, group or individual, is handled directly by our team.

Originally built in Valencia, Spain, Elegant was stripped to her steel structure and rebuilt between 2017 and 2024, with an entirely new superstructure and interiors. The result is a yacht that carries just 162 guests, attended by one crew member for every guest.

A full ship charter places the whole yacht, her crew and her itinerary at your disposal, for a corporate event, an incentive voyage, a private celebration or a once-in-a-lifetime journey.
